Established in 1962 as the Nisei Service Group, we continue to bring the community together by annually hosting a Keiro Kai Dinner/New Year's Celebration, community picnic, and golf tournament, and by providing support to families during times of illness and bereavement. Volunteers help out at the monthly Senior Club's bingo and birthday parties. To foster future generations to continue this service, the scholarship program was established over 30 years ago to recognize outstanding local graduates who volunteer their time for the benefit of the local Nikkei community. Please join us to raise funds for the scholarship program by your participation as a golfer, sponsor, door prize donor, dinner guest, or volunteer.

Join in the fun --- See you there!
